ACKNOWLEDGEMENT

We must very much be grateful to Mr. R. M. N. B. Ratnayake and Mr. K.S. Senthilkumar, our Project supervisors, who paid a lot of attention to make our project a successful as well as a meaningful one, throughout their supervision.

We should specially remind the kind co-operation given by Mr. M. P. Salgado, the Head, and the Academic staff of the Department of Surveying Sciences, giving us necessary data and information for our Project without any obligation.

We must not forget the kind support given by the Director of the Centre for Computer Studies Prof. I. K. Perera, who gave us the opportunity to use the Computer Centre within the vacation period.

Also we wish to offer our thanks to all the members of the Student Council of Surveying Sciences to provide us with important materials and accurate information. Finally, we wish to thank all other students of Surveying Department who help us by giving some information related to their Academic and other curricular activities and all our colleagues who help us in various ways to make this project a success.
