I express my gratitude to Residence Engineer, the head of the branch of Avery Machinery Distributors in Ratnapura district who gave the permission to obtain necessary information to make this project success.

I also lovingly recall Project Supervisor, Mr. S.K Senthilkumar for his guidance and munificence in conducting such a project.

At last, but not least my sincere thanks are due to all my friends who encourage me to make this project a success in the most sorrowful days in my life.
