ACKNOWLEDGEMENT

It is great pleasure to thank ^{those} who gave me the most helps in completing this web publishing project. We are grateful to our project supervisors, Mr. K. S. Senthilkumar and Mr. R.M.N. Rathnayaka for their supervision and guidance throughout the period to make the effort a success. I owe a deep debt of gratitude to the officials of the Rubber Research Institute of Sri Lanka and Rubber Development board for their kind co-operation in providing me with relevant information for this dissertation. Special thanks to Prof. I. K. Perera and other staff members ^{of the} computer centers. I extend my deep gratitude to my friends who gave their views to success.
