## INTRODUCTION

My web project is about <sup>the</sup> culture of Sri Lanka . This subject area is relevant to CA 3132(COM312)Year 111 Semester 1. This is designed by my self and based on some of the books in the library. I used the following Software and packagers respectively, As Microsoft FrontPage , Microsoft Power point, Microsoft Excel ,Photo draw, Paint, Macromedia fire work and Macromedia Flash.

However this project does not covers up the whole conceptual chapters.

But it covers up HTML codes which is related to Appendix.
