ACKNOWLEDGEMENT

It is my pleasant duty to express my profound sense of gratitude to all those who helped and encouraged me to prepare this project. First of all I would like to convey my gratitude to Mr.R.M.N.B.Rathnayaka and Mr. K.S.Senthilkumar, who guided me to do this project, specially for their instructions, assistance and valuable comments given at different stages in the publishing of this project.

I should also offer my thanks to Prof. I.K.Perera , who gave us the opportunity to use the Computer Center even after the study hours.

My thanks also should go to all other members of "Center for Computer Studies" for helping me during the practical hours and I owe my gratitude to all my friends who contributed towards complication and publication of this project.
