and sisters who helped

me in every possible

way to make my life

a success

ACKNOWLEDGMENT

First and foremost I wish to thank my research supervisor Mr. M. Sunil Shantha, Senior Lecture of the Faculty of Social Sciences & Languages.

My greatful thank to Mr Aruna Shantha, Lecture in Economics for his help in the statistical analysis of the project report.

I express my sincere thanks to Mr. M.H.M.J. Herath, Coconut Development Officer in the Mawathagama area and Mr. H.P.D. Gunapala, Assistant Director (Planning) Mawathagama divisional secretarial office for their assistance to me.

I give my thanks to the Agrarian Research and Product Assistants for their helping me to collect primary data. I also give my thanks to the coconut cultivators who were interviewed in the Mawathagama area.

I give my sincere thanks to Mr. Ashoka Munasinha for his assistance to me.

I express my thanks to Fr. Thilak Jayawardhane for his assistance in the corrections of the project report.

I remember with many thanks my loving brother who gave me support for the project report.

Finally I would like to give special thanks Suwarna, Nirmika, and my all colleagues who helped me to do a successful project report.
