## SCIENTIFIC CULTIVATION METHODS AND IT'S EFFECT ON COCONUT YIELD

### SCIENTIFIC CULTIVATION METHODS AND ITS EFFECT ON YIELD OF COCONUT

The report submitted to the Department of Social Sciences in partial

fulfillment of the requirements

of BA (Special) Social Sciences specialized in Statistics.

# ACKNOWLEDGEMENT

It is my obligation to acknowledge the wisdom and counsel of generous people who have helped me to complete this project report.

My special thank goes to professor Rajiwa Wijesinghe, Dean Faculty of social sciences and languages, and Mr. H.M.S. Priyanath, Head of the department of social sciences of the Sabaragamuwa University for providing instruction and making the necessary arrangement for this dissertation.

I would like to specially thank to my supervisor Mr. . W.N.N.K. Perera to give initial guidance in the preparation of this dissertation and for giving courage to finish this project.

I wish to convey my thank to Dr. Sarath Peries, "The Coconut Research Institute" for giving information and data related to my objectives.

My thank goes to the staff of "Coconut Cultivation Board" for giving me their guidance.

I express my sincere thank to my parents for encourage to finish this project report efficiently.

I am grateful to Mr. M.A. Jabeer for helping me to get typed this report..

I am indebted to thank all those who helped me to complete this project report giving their suggestion and guidance.
