PREFACE :

My desire of this work is to fulfil my project report at the end of my degree in B.A. (specialisation) Social Sciences in 1998 at Sabaragamuwa University of Sri Lanka.

I am happy of this study even in a limited scale. I have tried to show the problems and prospects of sugar Industry in Sri Lanka. I thought of selecting this topic, because there is non who had done it befor.

I have put forward my facts using simple language and I hope this research will benefit those who are interested in above topic. I hope my project report would make the reader realize the importance of the subject and would create benefit on them.

In dedication  
to  
My loving parents  
and  
teachers.
