

SRI LANKA JOURNAL OF GEOGRAPHY AND ENVIRONMENTAL MANAGEMENT

AIMS AND SCOPE

Sri Lanka Journal of Geography and Environmental Management is an open-access and refereed journal which is published by the Department of Geography and Environmental Management, Faculty of Social Sciences and Languages, Sabaragamuwa University of Sri Lanka. The journal provides academics, researchers, and professionals with a platform to share the latest developments and advances in Geography and in related fields.

The journal attracts submissions from scholars focusing upon theoretical, experimental, policy, and practitioner issues within the fields of GEM. The journal's contents reflect its integrative approach including primary research articles, discussion of current issues, empirical studies, literature reviews, case studies, conceptual models, reports, and book reviews.

All articles in this journal are subject to a double-blind peer reviewed process initially and are then reviewed by the editorial committee before final acceptance for publication.
